**Message Overview –**

Your mission: Mobilize over one million captives to break out from an oppressive regime only to find you're being chased by the most powerful army in the world. And that's when you hit the water! Have you ever felt moments where you try to move forward, but it seems like your enemy keeps getting closer? In the story of The Great Escape, we learn that the path God uses to deliver us is often the same path He uses to destroy our enemies.
