

CHESAPEAKE CHURCH

FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2020

Independent Accountant's Review Report

The Board of Directors
Chesapeake Church

I have reviewed the accompanying financial statements of Chesapeake Church (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

My responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for my conclusion.

Accountant's Conclusion

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Report on 2019 Financial Statements

The accompanying 2019 financial statements of Chesapeake Church were previously reviewed by us, and we stated that we were not aware of any material modifications that should be made to those statements in order for them to be in conformity with accounting principles generally accepted in the United States of America in our report dated October 23, 2020. A review is less in scope than an audit. The accompanying 2019 financial statements were not audited and there was no expression of an opinion.

Notes to Financial Statements December 31, 2020

1. ORGANIZATION AND PURPOSE

Chesapeake Church (the Church) is a not-for-profit organization established in 1984 exclusively for religious purposes. The Church shall consist of professing Christians who voluntarily associate themselves together for divine worship and Godly living agreeable to the Holy Scripture.

Under the Church's not-for-profit exemption, it operates the Chesapeake Cares Food Pantry (the Pantry) and the Chesapeake Care Center (the Care Center). The Pantry supplies food and meals for the disadvantaged in the local area.

The coronavirus (COVID-19) outbreak in the United States commenced prior to the Church's fiscal year-end and has directly impacted its operations since early spring 2020. The COVID-19 pandemic caused a broad and negative impact on commerce and financial markets around the world including travel restrictions and limits on in-person gatherings.

Accordingly, the extent to which COVID-19 may impact the Church's financial position and changes in net assets and cash flows is uncertain and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented in accordance with the accrual basis of accounting, whereby revenue is recognized when earned and expenses are recognized when incurred.

The financial statements of the Church have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which requires the Church to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets Without Donor Restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Church. These net assets may be used at the discretion of management and the Board of Directors.

Net Assets With Donor Restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Church or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

See Independent Accountant's Review Report

Chesapeake Church

Notes to Financial Statements December 31, 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

The Church considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Accounts Receivable

The accounts receivable balance represents amounts billed before year-end for which the payment from various sources is expected to be received in the subsequent period.

Promises to Give

Unconditional promises to give are carried at present value after providing an estimate for doubtful promises to give based on a review of all outstanding promises to give on a monthly basis.

Management determines the allowance for doubtful promises to give by using the historical experience applied to an aging of promises. Promises are written off when deemed uncollectible.

There were no promises to give as of December 31, 2020.

Notes Receivable

Notes receivable represent funds advanced to a related party. Loans are stated at unpaid principal balances. The loan is uncollateralized.

Donated Food Inventory

Donated food inventory is reported at fair value based on an average value per pound estimate calculated by the Maryland Food Bank.

Property and Equipment

Donated assets are recorded at their fair value on the date of the gift, and other assets are recorded at cost. Depreciation is provided using the straight-line method over the estimated useful life of 3 to 39 years. The Church capitalizes all property and equipment with a cost of \$1,000 or more.

See Independent Accountant's Review Report

Chesapeake Church

Notes to Financial Statements December 31, 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Unconditional contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

Donated food from food drives and local organizations, as well as event fundraisers, are recorded as a contribution at its estimated fair market value, which is based on an average value per pound provided by the local food bank and is recorded as revenue at the date of donation.

During the year ended December 31, 2020, the Church received a \$282,400 forgivable loan from the Small Business Administration's (SBA) Paycheck Protection Program (PPP). The forgivable loan is a conditional contribution that can be recognized as revenue when the underlying conditions are met. The Church has elected to treat the legal forgiveness as the condition. As of December 31, 2020, the Church has \$282,400 reported as a forgivable loan liability that will be recognized in fiscal year 2021 when the remaining eligible expenses are incurred.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses present the natural classification detail of expenses by function. Accordingly, occupancy and office expenses, depreciation, information technology costs, and insurance have been allocated among the programs and supporting services on the basis of employee time and effort.

Income Taxes

The Church is generally exempt from federal and state income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code. In addition, the Church has been determined by the Internal Revenue Service not to be a private foundation. Income which is not related to exempt purposes, less applicable deductions, is subject to federal and state corporate income taxes. During the year ended December 31, 2020, the Church had no taxable unrelated business income, and accordingly, no provision for income taxes is required in the accompanying financial statements.

See Independent Accountant's Review Report

Chesapeake Church

Notes to Financial Statements December 31, 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes (Continued)

The Church has adopted the accounting standard on accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. The Church had no such positions recorded in the financial statements at December 31, 2020.

The Church is exempt from the annual IRS Form 990 filing requirements.

Comparative Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Church's financial statements for the year ended December 31, 2019, from which the summarized information was derived.

Recently Issued Accounting Pronouncement

In February 2016, the FASB issued ASU 2016-02, *Leases*. The update requires a lessee to recognize a right-of-use asset and lease liability, initially measured at the present value of the lease payments, in its statement of financial position. The guidance also expands the required quantitative and qualitative lease disclosures. The guidance is effective beginning in 2022.

Subsequent Events

Management has evaluated subsequent events through August 20, 2021 the date which the financial statements were available to be issued. The accompanying financial statements recognize the effects of subsequent events that provided evidence about conditions that existed at the statement of financial position date, including the estimates inherent in the process of preparing financial statements. The accompanying financial statements do not recognize the effect of subsequent events with conditions that did not exist at the statement of financial position date, but disclosures of such events, if any, are included in the accompanying notes.

3. NOTES RECEIVABLE
