Questions for Wednesday, September 23, 2026

Romans 1:18-32

1. Do you understand what Paul means when he says that we are living “under wrath?” If so, do you understand why placing our faith in Jesus Christ is important? Consider this in the context of John 3:18, 36.
2. Do you understand why God would feel the need to condemn and punish those who refuse to worship Him but will gladly worship anything created?
3. Under the New Testament regime, God no longer punishes people by bringing sickness, conquering armies or plagues. He now punishes us by giving us what we want. Can you remember a time you took something you wanted, only to end up with regret and in pain?

Peake Kids Question

4. The Apostle Paul says we are born “under wrath.” Do you explain to a friend what this means?

Peake Youth Question

5. Why do you think sin makes God so angry?
